Simplify life with a high-quality wireless music solution

Colour

PRODUCT DETAILS

Combining dynamic playback from rare-earth-magnet drivers encased in aluminum with hands-free control, the C7 wireless headphones simplify hi-fi music with Bluetooth® pairing via NFC—just touch smartphone and earphones together.

Soft and secure silicon neckband fits your body shape and is very comfortable. Stay connected with Pioneer Notification App for Android™ to read alerts, with a voice-activated reply function that's great when you have to keep moving.

There's also a remote for phone-calls. Unified cable, tip, and headphone colours look fantastic with high-texture aluminum body finish setting you apart from the plastic crowd. A choice of colours enhances a clever design that gets out of the way of your music.

Product features:

- Comfortable neckband conforms to your neck shape without slipping.
- Instant Bluetooth Connection with NFC
- Slim in-line intuitive remote for easy phone call and music control

Audio features

- Aluminum housing and base reduces vibration for superb clarity
- 8 mm (5/16) rare-earth-magnet dynamic driver
- Deep, taut bass and clear mid-range for beautiful vocals
- Wireless technology supports AAC codec for high-quality sound
- Four earphone tip sizes (XS/S/M/L) assure a firm seal
