PRODUCT DETAILS

BUDGET-FRIENDLY 105W AV RECEIVER.

Intensify your home entertainment experience with 5.1 HD surround sound. The VSX-330 will be the centre of your audio gaming setup and home cinema system.

This AV receiver ensures amazing movie-watching madness: it will even pass through ultra high resolution 4K video. To enhance your favourite movies with great sound, just select one of the high definition Dolby or DTS advanced surround modes.

The VSX-330 supports music playback and control from any USB memory. The Advanced Sound Retriever will even restore your compressed audio to CD quality output.
