SRP 18,99 €

Lightweight In-ear headphone with powerful 10mm driver and high quality aluminium design

Colour

PRODUCT DETAILS

Pure vocals, fun dynamics, and tight bass are exactly what your music needs, and the Pioneer C3 delivers that and more. Precision-crafted in aluminum to reduce vibration, this compact design fits any ear shape.

Find your size from four pairs of supplied silicon tips and get a comfortable, secure seal and better sound. We also have your color: choose from six elegantly textured aluminum finishes with cable, headphones, and ear-tips color-coordinated to suit you.

A thumbfriendly cable button accepts and finishes calls with zero hassle. Enjoy music free and easy from a brand that's built on great sound.
