Dolby Atmos enabled 3-way, concentric floorstanding speaker (140W)

Style **STANDARD**

PRODUCT DETAILS

Get the ultimate Dolby Atmos Experience

Dolby Atmos is the latest audio platform for home cinema entertainment. With the right speaker set-up this technology will fill your room with astonishing clarity, richness, detail, and depth.

Created by world-renowned speaker engineer Andrew Jones, the S-FS73A floorstanding speakers will add a consistent sound signature to your speaker set. They offer extraordinary performance and remarkable quality to deliver a phenomenal music and home cinema experience. Plus, their vinyl-black finish integrates seamlessly in any interior style.

To complete your Dolby Atmos speaker set-up, take a look at our S-BS73A bookshelf speakers and the S-C73A centre speaker.
