PRODUCT DETAILS

Fit and functions for sonic freedom

The E6 wireless blends comfort and security in a brilliantly functional design. Gently curved elastomer earhooks contribute to a comfortable and stable fit and won't fall out during exercise, while rare-earth-magnet drivers aim sound deep for immersive mid-range clarity and solid bass punch. These all-weather headphones are rated IPX4 waterproof and feature a thick, tangle-free \varnothing 2.0 mm cable. Enjoy six hours of playback with recharging taking just 1.5 hours. Simple Bluetooth connection provides hands-free phone functionality via inline remote, including voice assistant interaction, music control, and call management, all without touching your phone.

Active Sound Design

- Fully enclosed \varnothing 8 mm rare-earth-magnet dynamic drivers
- Deep bass, excellent mid-range clarity, and rich voicing
- Enclosed dynamic driver structure improves sound isolation
- Elastomer earhooks lock in securely for vigorous exercise
- New angled earhook aligns earphones for stability and comfort
- Thick and durable \varnothing 2.0 mm tangle-resistant cable
- Interact with smartphone voice assistants at the touch of a button
- Hands-free music control and call management without touching your phone
- IPX4-rated waterproof for use in almost any weather

Intelligent & Convenient

- Inline remote keys for power on/off, call accept/end/reject/redial, voice assistant activation, volume, and track selection
- Multi-Point Function wirelessly connects two phones simultaneously
- Approx. 6 hours playback and 1.5 hours recharge via Micro USB cable
- Supports Pioneer Notification App for Android devices
- Adjust cable length for best fit and comfort with supplied cable adjuster
