PRODUCT DETAILS

The best player for all your HD content and much more

"The UDP-LX500 is a machine of many talents. Both a state-of-the-art 4K Blu-ray spinner and a high-performance audio player, it will improve any home theatre setup." - Excerpt from the Eisa 'Best Product - Universal Player' motivation.

Pioneer's brand-new universal disc player brings the spectacle of Ultra HD Blu-ray™ to your home entertainment, with four times the resolution of 1080p Full HD.

Featuring three-block internal layout, Ultra Rigid Construction, and Double-Layered Chassis for a robust build, 6-layered main circuit board, SDR/HDR preset mode, and support for HDR10/Dolby Vision for quality picture, as well as premium audio DAC and Zero Signal Terminal for high-grade sound, the UDP-LX500 lets you enjoy the highest video resolution as well as your other digital disc collections.

Audio features
