SRP 44,99 €

For TV, DVD and Blu-ray optimised reproduction

PRODUCT DETAILS

Sound

40 mm driver units and a strategically placed "Powerful Bass Duct" accurately reproduce low frequencies and deliver dynamic, deep and powerful bass sound. Strong rare earth magnets and a CCAW (Copper-Clad Aluminium Wire) voice coil deliver deeper bass and crystal clear wideband sound.

Design

A 3.5 m long single-sided cord stays tangle-free and allows easy TV watching or music listening from a distance.

Fit

The comfortable self-adjusting headband system, which automatically adjusts the length of headband to the user's head, ensures a perfect and secure fit at all times. The soft velour-type ear pads on the SE-M531 make these headphones perfect to wear.

Audio features

- Powerful rare earth magnet with CCAW (Copper-Clad Aluminium Wire) voice coil for more dynamics and crystal-clear sound
- Extremely wide frequency range represents the finest sound details
- Large-volume 40 mm drivers for powerful bass reproduction
- Frequency Response 7 - 40,000 Hz
- Impedance 32 Ohm
- Maximum Capacity 1500 mW
- Maximum efficiency 100 dB
- 3.5 mm jack connection (gold plated)
