Clip & Forget – Wear them all day Advantages of the ClipWear Design

- 1 Headphones easy to pop in and out. Won't get lost. Same concept as neckband earphones but MUCH smaller
- 2 Weight of electronics eliminated with Clip. Super comfortable and virtually weightless
- 3 The headphones are extremely small to store (fit in your pocket)
- 4 Secure fit when using it while being active / working out (box doesn't bounce around)
- 5 Allows for multiple wearing styles (clips on the front or the back)

ClipWear

Bluetooth™

10 meter range

20Hz – 20kHz frequency response

SE-CL5BT
